Snyder Heads Senator Hammond Local Home Stretch Drive

Senator George D. Hammond, candidate for re-election to the State Senate, announced that he has selected Brady D. Snyder of 10 Strawberry Hill Rd., Feeding Hills, to chair the "Hammond for State Senate Home Stretch Drive" in Agawam.

Accepting the appointment Mr. Snyder stated, "I have consented to help Mr. Hammond in his bid for re-election for the following reasons: I sincerely feel that Senator Hammond has and will continue to serve the interest of the citizens of Agawam to the best of his ability. Secondly, he has pitched in and tried to resolve and/or to obtain answers for the problems at

hand on both town and state matters — as well as filing legislation, in our behalf, on his own. And finally, Senator Hammond has gone beyond the call of his office on many occasions to assist families of veterans, various organizations, as well as the senior and junior citizens of our community — regardless of their political, ethnic or religious backgrounds."

"For these reasons I accept the chairmanship and ask the citizens of Agawam to work and vote with me for his re-election — Nov. 3rd."

Community Grange Program Nov. 3

Community Grange will meet Tuesday evening, Nov. 3rd at 8 o'clock in the Grange Home on North West St., Feeding Hills. Reports of the Mass. State Grange will be given by the delegates at the business meeting.

During the month of November, the degrees are scheduled to take place. The 1st and 2nd degrees will be conferred this evening with the regular officers working the 1st degree and a special team with Clarence Holloway as master conferring the 2nd degree.

In preparation for the degrees a rehearsal has been called Sunday evening, Nov. 1st at 7:30 p.m. Applications for membership may be presented at this rehearsal when a special meeting will be held. Members are asked to call the master, Cyrus C. Chapin, or secretary, Miss Florence Blish, if applications are to be presented.

A social hour will follow the business meeting.

Connelly Pledges To "Do The Job—Not Just Have A Job"

Selectman Edward W. Connelly, candidate for State Representative for the Ninth Hampden District serving Agawam and West Springfield Precinct 8, today issued the following statement:

"As my campaign for election to State Representative nears the end, I await the moment of truth—the vote of the people on Tuesday, Nov. 3—with a degree of confidence. I have tried to impress upon all who would listen that there exists a great gap between the people and the men in their State government. That there is a growing lack of confidence in the capacity of the State government to serve the public interest and that there is still time to correct a sad situation by exercising their right to exchange a "job-holder" with a man of proven dedication to the people he serves, with their vote for my candidacy.

"My opponent has failed to recognize and respect the peoples'

Democratic Women's Club Candidate Program Sunday

The Agawam Democratic Women's Club will sponsor a "know your candidate program" Sunday afternoon, Nov. 1st, from 2 to 4 at the Captain Charles Leonard House, Main St., Agawam.

Invitations have been extended to all local and state democratic

candidates to participate in this event and several at the state level have indicated plans to make a personal appearance.

With national elections coming up Tuesday, Nov. 3, and local elections Tuesday, Nov. 17, it is vitally important that the electorate be informed as to the type of legislation each candidate proposes to introduce, and to discuss key issues with the candidates. This opportunity will be afforded to those residents who attend this meeting.

Mrs. Bruno Zucco, club president, is chairman of the affair and will be assisted by the following committees: telephone, Mrs. Norman Couture, Mrs. David Gallano, Mrs. Joseph Shea, Mrs. John Teahan; decorations; Mrs. Rudy Altobelli, Mrs. Bernard Battles, Mrs. Anthony DeMatos; refreshments, Mrs. Alda Bedard, Mrs. Nicholas Donatini, Mrs. William Keogh; hostesses, Mrs. Frederick Drew, Mrs. Daniel Donatini, Mrs. Ronald Rodier; publicity, Mrs. John Shea.

Juliano States Town Must Be Run As Business Entity

"To run a six million dollar business on a part-time basis requires a man already adept in administration and finance," John Juliano, candidate for the

office of Selectman, stated today.

"Although approximately only one-quarter of this budget is under the control of the selectmen, costs can be controlled through careful scrutiny of expenditures. By efficiently using these funds and careful planning for business and industry to encourage them to settle in Agawam, we would widen our tax base. This in turn would serve to encourage our young people of today to remain in the community and would also attract more young talent to invest in Agawam and contribute to its growth."

John Juliano possesses a varied background with 17 years of financial and business administration experience coupled with a Bachelors degree in Industrial Engineering and Masters degree in Business Administration. This unique background can contribute knowledge to most fields of selectmen responsibility.

Westfield Savings Bank Savings Deposits Increase

WESTFIELD — Savings deposits at the Westfield Savings Bank were \$56,286,182 on Sept. 30, representing an increase of \$3,601,605 of the preceding 12 months, Arthur W. Knapp, president, told the quarterly meeting of the bank's board of trustees at the Tekoa Country Club Wednesday night. Mr. Knapp also reported that the gain for the three months ended Sept. 30 was \$763,971.

During the meeting, the trustees voted a dividend for savers totaling \$725,000, the largest ever declared for a single quarter in the history of the bank, and at the same time the trustees increased the interest rate on regular savings accounts.

Effective Oct. 10, and payable Jan. 10, 1971, the new, higher rate on regular savings accounts will be five and 1/4 per cent.

"This new interest rate adds further attractiveness to our range of savings plans, which now include term deposit accounts which pay 6 per cent on two-year certificates and 5 1/2 per cent on one-year certificates, our special notice or 90-day accounts which pay 5 1/2 per cent, and the regular savings accounts earning the new rate of 5 1/4 per cent."

Westfield Savings Bank pays

daily interest on all of its savings accounts.

Mr. Knapp told the trustees that real estate loans were at a record \$50,511,240 on Sept. 30, with the gain for the preceding 12 months totaling \$4,366,051.

"To reach and pass the \$50 million mark in real estate loans is a significant achievement," Mr. Knapp said, "since the greater

Reflecting the growth in all of Westfield Savings' banking categories, assets on Sept. 30 were at \$64,371,071.

The Westfield Savings president said the first three quarters of this year have been "a very good nine months, and it is our feeling that the entire year will be characterized by continued growth. YES	
NO	

SUMMARY
 The proposed amendment to the Constitution amends the existing constitutional provisions which direct the division of the Commonwealth into 240 representative districts and 40 senatorial districts. It provides for a census of the inhabitants of each city and town in the Commonwealth in the year 1971 and in every tenth year thereafter. The census in 1971 is to be the basis for determining the representative and senatorial districts for the ten-year period beginning January 1, 1975. Each subsequent census shall be the basis for determining the districts for each ten-year period beginning the fourth January following each census, so that the census in 1981 will determine the districts as of January, 1985, etc.

The amendment provides that the house of representatives shall consist of two hundred and forty members and the senate of forty members. In its first regular session following each census, the Legislature shall divide the Commonwealth into two hundred and forty representative districts of contiguous territory and forty senatorial districts also of contiguous territory. Each representative district shall contain, as nearly as may be, an equal number of inhabitants according to the census. Each senatorial district shall also contain as nearly as may be an equal number of inhabitants according to the census. A representative district shall not unite two or more counties, towns, or cities, or parts thereof, or a city and a town, or parts thereof, in one district unless the same is unavoidable. Further, no town of less than six thousand inhabitants shall be divided in forming representative districts. It is also provided that the County of Duks County and Nantucket County shall each be a representative district, notwithstanding the foregoing. The senatorial districts, each of which shall elect one Senator, shall be formed without uniting two counties or parts of two or more counties, unless the same is unavoidable.

Each representative shall be an inhabitant of the district for

LEGAL NOTICES

which he is chosen at least one year immediately preceding his election, and each senator shall be an inhabitant of the district for which he is chosen at the time of his election and shall have been an inhabitant of the Commonwealth for at least five years immediately preceding his election. Any representative or senator who ceases to be an inhabitant of the Commonwealth shall cease to represent his district.

The amendment also provides that the Legislature (1) may by law limit the time within which judicial proceedings may be instituted calling in question any such division and (2) shall prescribe by law the manner of calling and conducting elections for the choice of representatives and of ascertaining their election.

Finally, the amendment annuls the existing constitutional provisions with respect to apportionment of representative and senatorial districts, although those provisions will remain in effect until January 1, 1975.

Jr. Women's Club To Present Skit 'Don't Be A Lulu'

"Don't Be A Lulu", a skit presented by the Agawam Junior Women's Club in conjunction with their anti-litter campaign is being presented to nursery schools and kindergartens in the Agawam area.

Lulu the litterbug (Mrs. Louis V. Mercadante) encourages children to discard their papers, candy wrappers and other pieces of litter wherever they want.

Mrs. John Fanning, Conservation chairman, accompanies

'Lulu' and presents the children with "Don't Be A Lulu" litter bags.

When the bug is told by the children that Lulu is wrong in littering, she then picks up her debris and praises the children for not being litterbugs.

With friendly good-byes, Lulu leaves as a bug, not a litterbug.
